FOR THE SOUTHERN DISTRICT OF WEST VIRGINIA

**OHIO VALLEY ENVIRONMENTAL
COALITION, WEST VIRGINIA
HIGHLANDS CONSERVANCY,
and SIERRA CLUB,**

Plaintiffs,

v.

CIVIL ACTION NO. 2:15-cv-15515

POCAHONTAS LAND CORPORATION,

Defendant.

Defendant.

CONSENT DECREE

I. RECITALS

1. On November 24, 2015, Plaintiffs Ohio Valley Environmental Coalition, Inc.; West Virginia Highlands Conservancy, Inc.; and Sierra Club (collectively “Plaintiffs”) filed a Complaint for Declaratory and Injunctive Relief and for Civil Penalties against Defendant Pocahontas Land Corporation (“Pocahontas” or “Defendant”).

2. The Complaint alleged that Pocahontas had discharged and continues to discharge the pollutant selenium and high levels of conductivity from three valley fills on its property in Mingo County, WV without a National Pollution Discharge Elimination System (“NPDES”) Permit issued pursuant to Section 402 of the federal Clean Water Act (“CWA”), 33 U.S.C. § 1342. This Consent Decree, however, only imposes obligations on Defendant with respect to alleged discharges from two valley fills because Plaintiffs previously agreed to withdraw their claims regarding the valley fill designated as Durable Rock Fill No. 1 on Permit S500988. Plaintiffs

hereby agree to formally dismiss with prejudice any and all claims relating to Durable Rock Fill No. 1.

3. Defendant does not admit any liability arising out of the transactions or occurrences alleged in the Complaint nor does Defendant admit any fact or legal conclusion or liability alleged in the Complaint or addressed in this Consent Decree.

4. The Parties recognize, and the Court by entering this Consent Decree finds, that the Consent Decree has been negotiated by the Parties in good faith and will avoid further litigation among the Parties, and that this Decree is fair, reasonable and in the public interest.

NOW, THEREFORE, with the consent of the Parties, IT IS HEREBY ADJUDGED, ORDERED AND DECREED as follows:

II. JURISDICTION AND VENUE

5. For purposes of this Consent Decree, the Parties agree that this Court has jurisdiction over the Parties and over the subject matter of these actions pursuant to 28 U.S.C. § 1331 (federal question jurisdiction) and 33 U.S.C. § 1365 (CWA citizen suit provision).

6. For purposes of this Consent Decree, the Parties agree that venue is proper in the Southern District of West Virginia pursuant to 28 U.S.C. § 1391(b) and (c), because it is the judicial district in which Defendant is located, resides and/or does business, and/or in which the violations alleged in the Complaints occurred, as well as 33 U.S.C. § 1365(c)(1), because the sources of the alleged CWA violations are located in this judicial district.

7. For purposes of this Consent Decree, or any action to enforce this Consent Decree, Defendant consents to this Court's jurisdiction over this Consent Decree and consents to venue in this judicial district.

III. APPLICABILITY

8. The provisions of this Consent Decree apply to and are binding upon Plaintiffs and any of their respective successors and/or assigns and those with authority to act on their behalf; including, but not limited to, their officers, directors, and staff; upon Defendant and any of its respective successors and/or assigns; and upon other persons or entities otherwise bound by law.

9. The transfer of ownership or operation of the Property prior to termination of this Consent Decree shall not relieve Defendant of its obligation to ensure that the terms of this Consent Decree are implemented, unless Defendant complies with the requirements of this Paragraph 9. Prior to any transfer of ownership or operation of the Property, Defendant shall provide a copy of this Consent Decree to the proposed transferee and require the transferee to provide written confirmation acknowledging the terms of the Consent Decree and confirming that the transferee will be bound by those terms. Upon such written confirmation, the Defendant shall no longer be subject to this Consent Decree.

IV. DEFINITIONS

10. Terms used in this Consent Decree that are defined in the CWA or in regulations issued pursuant thereto shall have the meanings assigned to them therein, unless otherwise provided in this Decree. Whenever the terms set forth below are used in this Consent Decree, the following definitions shall apply:

- a. “Complaint” shall mean the Complaint for Declaratory and Injunctive Relief and for Civil Penalties filed by Plaintiffs in Civil Action Number 2:15-cv-15515 on November 24, 2015;
- b. “Consent Decree” or “Decree” shall mean this Consent Decree;

- c. “Day” shall mean a calendar day unless expressly stated to be a business day. In computing any period of time under this Consent Decree, where the last day would fall on a Saturday, Sunday or federal holiday, the period shall run until the close of business of the next business day;
- d. “Effective Date” shall mean the date upon which this Consent Decree is entered by the Court or a motion to enter this Consent Decree is granted, whichever occurs first, as recorded on the Court's docket;
- e. “Parties” shall mean Plaintiffs and Defendant;
- f. “Property” shall mean the following parcels of land owned by Pocahontas, as designated by the Assessor of Mingo County, West Virginia: (1) Parcel No. 57 on sheet 449 of the tax map for the Magnolia District of Mingo County, containing approximately 365 acres, upon which the entirety of Valley Fill No. 2 and the majority of Valley Fill No. 3 are situated; and (2) Parcel No. 3 on sheet 450 of the tax map for the Magnolia District of Mingo County, upon which a small portion of Valley Fill No. 3 is situated;
- g. “Valley Fills” shall mean the following two¹ valley fills located on the Property: 1) the valley fill designated as Durable Rock Fill No. 2 as authorized by West Virginia Surface Mining Permit No. S501288; and 2) the valley fill designated as Durable Rock Fill No. 3 as authorized by West Virginia Surface Mining Permit No. S501288. The term does not include the valley fill designated as Durable Rock Fill No. 1 on Permit S500988.

¹ Although the Complaint implicated three valley fills, Plaintiffs earlier agreed to withdraw any and all claims regarding Durable Rock Fill No. 1 (S500988).

- h. “WVDEP” shall mean the West Virginia Department of Environmental Protection.

V. CIVIL PENALTY

11. The Parties agree that no civil penalties shall be requested by the Parties to be paid by Pocahontas for any alleged unpermitted discharges of selenium or other pollutants from the Valley Fills that have occurred or may occur up to the Effective Date of this Consent Decree or that occur prior to termination of this Consent Decree. Moreover, Defendant’s participation in and obligations under this Consent Decree are expressly conditioned upon final judgment being rendered on the Complaints without the imposition of any civil penalties.

VI. COMPLIANCE REQUIREMENTS

12. This Consent Decree in no way affects or relieves Pocahontas of its responsibility to comply with applicable federal, state and local laws, regulations and permits, but Plaintiffs shall not seek any remedies or penalties under the CWA for alleged unpermitted discharges of selenium or other pollutants from the Valley Fills prior to termination of this Decree in accordance with Section XII of this Decree.

13. Within thirty (30) days of the Effective Date of this Consent Decree, twice monthly sampling for selenium, conductivity, total dissolved solids, and sulfates, shall occur at the toe of the Valley Fills. Such samples must be collected at least ten (10) days apart. Sampling under this Paragraph 13 shall continue on a twice monthly basis only until a permit application is submitted pursuant to Paragraph 16 below.

14. The results of the sampling required pursuant to Paragraph 13 shall be submitted to Plaintiffs' counsel within thirty (30) days of receipt of said results.

15. Samples taken for the purposes of water quality monitoring to meet NPDES permitting application requirements may be used to fulfill the requirement for twice monthly sampling under paragraph 13 of this Consent Decree.

16. Within ninety (90) days of the Effective Date of this Consent Decree, a good faith application for a CWA NPDES discharge permit from WVDEP to cover the discharge of pollutants from the Valley Fills shall be submitted to WVDEP, and said NPDES permit shall be diligently pursued.

17. Said permit application shall include the results of all sampling from the toe of the Valley Fills, including any in-stream sampling in Slick Rock Branch and Pigeon Creek, conducted by Defendant or by any third party on Defendant's behalf, since the filing of the Complaints, up to the date of filing of said permit application. The locations of these samples in relation to the Valley Fills shall be clearly identified in the application.

18. A copy of said permit application shall be sent to Plaintiffs' counsel within seven (7) days of its submission to WVDEP. All reasonable requests by WVDEP for additional information not included in the permit application shall be responded to in a timely manner, as required by WVDEP's permitting rules and regulations.

19. A copy of any NPDES permit issued by WVDEP to cover pollutant discharges from the Valley Fills shall be sent to Plaintiffs' Counsel within seven (7) days of receipt by Defendant.

20. The parties agree that this Agreement does not impose monitoring or permitting requirements on the valley fill designated as Durable Rock Fill No. 1 under SMCRA permit S500988.

21. Plaintiffs do not waive their right to bring a new action based on alleged pollutant discharges that may occur after this Consent Decree is terminated in accordance with Section XII of this Decree, and Defendant reserves any and all defenses thereto.

VII. EFFECT OF SETTLEMENT/RESERVATION OF RIGHTS

22. This Consent Decree resolves the civil claims of Plaintiffs for the violations alleged in the Complaint, as well as for any alleged unpermitted discharges of pollutants from the Valley Fills that may occur prior to termination of this Consent Decree. Without limiting the foregoing, this Consent Decree also confirms the dismissal with prejudice of any and all claims of Plaintiffs relating to Durable Rock Fill No. 1.

23. This Consent Decree shall not be construed to create rights in, or grant any cause of action to, any third party not party to this Consent Decree.

VIII. COSTS

24. Defendant shall pay Plaintiffs' reasonable costs and attorneys' fees, including expert witness fees and costs incurred by Plaintiffs in conjunction with this civil action, through the Effective Date of this Consent Decree, as identified in Paragraphs 25 through 27 below.

25. Plaintiffs' reasonable costs and fees total \$48,480.00. Of that amount, \$34,480.00 is for Plaintiffs' reasonable attorneys' fees, allocated as follows:

26. In addition to attorneys' fees, Plaintiffs' costs and expert expenses were \$14,000.00.

27. Not later than thirty (30) days from the Effective Date of this Consent Decree, a check shall be delivered to Plaintiffs' counsel for \$48,480.00 made payable to the Appalachian Mountain Advocates. Appalachian Mountain Advocates shall be wholly responsible for the proper distribution of any portions of the delivered sum to any and all other attorneys or other entities who may be entitled thereto. The sum delivered under this paragraph shall be a complete settlement of Plaintiffs' claims for costs and fees incurred up to the Effective Date of this Consent Decree, and thereafter for responding to possible comments on this Decree by the Department of Justice or others.
